

**At Hutton Henry CE Primary we provide opportunities for pupils to explore their own culture and have a clear understanding and appreciation of a wide range of the cultural influences that have shaped modern Britain. We encourage all children to be tolerant and respectful to those of different faiths and beliefs. This is done by providing the children with an understanding of the main dates and of significance to British culture e.g. Remembrance Day, major political events. We are forming strong links in our local community with other local schools and are participating in a range of out of school activities e.g. sporting events, cathedral leaver's service.**

**Individual Liberty**  
 Within school, pupils are actively encouraged to make choices in key roles, knowing that they are in a safe and supportive environment. As a school, we educate and provide boundaries for young people to make choices safely. Through our clubs and opportunities, pupils are given the freedom to make choices. The aims, ethos and vision statement are embodied in all that we do in school. Our Esafety curriculum teaches children to make choices safely.
