

Charges and Remissions

Introduction

The Head Teacher and the Governing Body recognises the value of providing a wide range of experiences to enrich and extend pupils' learning and to contribute to their personal development. The Head Teacher and Governing Body aims to promote and provide such experiences for the pupils of the school, both as part of a broad and balanced curriculum and as additional optional activities.

However, many of these activities have an associated cost and cannot be provided unless voluntary contributions are received or parents are charged for the cost.

This policy will set out the circumstances in which charges will or will not be made for school activities and when charges will be waived in order to ensure that all pupils have equal opportunity to benefit from school visits, curricular and extra-curricular activities.

Statement

This policy complies with the requirements of the Education Act 1996.

Where 'parent' is referred to this will include adults with a responsibility for a pupil.

We aim:-

- To make school activities accessible to all pupils regardless of their family income
- To encourage and promote external activities which give added value to the curriculum
- To provide a process which allows activities to take place at a minimum cost to parents, pupils and the school
- To respond to the wide variations in family income while not adding additional unexpected burdens to the school budget

Legislation – Educational During School Hours

The DFE in its guidance to school Governors states that "education provided during school hours must be free. The definition of "education" includes materials, equipment, transport provided in school hours by school to carry pupils between the school and an activity". It goes on to advise that "although schools cannot charge for school time activities, they can still invite parents and others to make a voluntary contributions (in cash or in kind)".

When additional costs are incurred by Hutton Henry CE Primary School to enhance the curriculum opportunities for the pupils, parents may be requested to make voluntary contributions. However no pupil will be left out of an activity because his or her parents cannot or will not make a contribution of any kind.

Education Outside School Hours

The DFE in its guidance to school Governors states that Parents can only be charged for activities that happen outside school hours when these activities are not a necessary part of the National Curriculum or religious education. No charge can be made for activities that are an essential part of the syllabus for an approved examination. Charges may be made for other activities that happen outside of school hours if parents agree to pay. The Education Reform Act 1988 described activities, which can be charged for as “optional extras”.

Remissions

To ensure that access to activities reflects intentions, Hutton Henry CE Primary School will implement the following Remissions Policy. The fundamental aim of this policy is to ensure that all pupils gain fully from everything that the school is able to offer them based on an understanding of the relationship between low income, entitlement and access. This policy takes into account the very real and persistent difficulties which people on low income have in meeting the costs of educational activities for their children.

Where parents are in receipt of Income Support, Income based Jobseekers Allowance, Support under part IV of the Immigration & Asylum Act 1999 or Child Tax Credit (providing that working Tax Credit is not also received), the Governing Body will observe in Statutory requirement to remit in full the cost of the board and lodgings for any residential activity that the school organised for the pupil if the activity is deemed to take place within school hours.

There may be cases of family hardship which make it difficult for pupils to take part in other particular activities for which a charge is made. When arranging a chargeable activity the Governing Body will invite parents to apply in confidence for the remission of charges in part or in full. Authorisation of remission will be made by the Head Teacher in consultation with the Chair of Governors.

Data Protection of Pupils and Families

Teachers will ensure that these children are not publically identified and stigmatised. This is particularly important as the fear of stigmatisation is often key element in the non-take up of free school meals. This will be accomplished by developing methods of collecting voluntary charges or dinner money, which do not identify children who do not contribute. Termly contributions towards Creativity Topics will be requested at the start of every term through a letter.

Contributions

Voluntary contributions may be requested to help with providing activities even though they are part of the normal school day or part of the National Curriculum. If voluntary contributions are requested for an activity it should be clearly understood that there is no obligation to contribute and that if a parent is unable or unwilling to pay, the child will not be excluded from the activity.

If sufficient contributions are not received then the activity may be cancelled

Termly Topic Contribution: The termly topic contribution is £25.00 per school year.

Charges

The Governing Body reserves the right to make a charge for the activities and items detailed below;

- Trips which are not part of the school curriculum or are outside the school day (i.e Weekend Residential)
- After school and pre-school clubs
- Music Tuition if it is not required for the National Curriculum and is provided for an individual pupil or for groups of pupils
- Damage to school property – cost of replacing any item, such as broken window or defaced damaged or lost book, where as a result of pupil's behaviour
- Visits to school by professionals e.g. Authors, storytellers, musicians, dancers, artists etc.

Individual Music Tuition

Charges may be made to parents for individual tuition in playing any musical instrument, even if such tuition takes places during school hours. Parental agreement and a signed contract will be obtained before tuition is required.

Breakages and Damage to School Buildings, Furniture or Property

Parents will be charged for damage caused by pupil's behaviour.

Residential Activity

The DFE in its Guidance to School Governors states that "For residential activity taking place largely during school time or essential to the education provided at the school, no charge may be made for either the education or the cost of travel. However charges will be made for board and lodging in these circumstances, except for pupils who's parents are receiving Income Support or Child Tax Credits on a discretionary basis. . A voluntary contribution will be requested by the school for such activities,

Hutton Henry CE Primary School will follow the relevant legislation as contained in the Education Reform Act 1988: Section 106-111, 117 and 118. The guidance is contained in DCSF circular 2/89: Charges for School Activities.

The Governing Body may, from time to time, amend categories of activity which a charge may be made. Nothing in this policy statement precludes the Governing Body inviting parents to make a voluntary contribution towards the cost of providing education for pupils.
